Local Intelligence.

A pole, 60-feet, was raised on the North side of the Plaza, on Thursday, bearing a Hardy banner, amid the booming of anvils.

Best Bourbon and Rye Whisky, at GANZ.

Large Oury banner stretched across Cortez street at Jackson & Tompkins.

The Executive Committee of "The Ring" have ordered five hundred copies of the leading article in the Citizen, of Oct. 28th, printed and distributed throughout this County, as a campaign document in favor of their ticket.

The Photograph Gallery, on Cortez street, will be closed Saturday, November 11th, for removal to Camp Verde. Those wishing pictures will please call before that time.

The people of Camp Verde and Verde Valley are notified that a Photograph Gallery will be opened at that Post week after next.

Rod McKinnon returned during the week from a trip half round the world, including the Centennial, bringing with him Mr. Proctor, of Healdville, Tehama Co., California. John Goodwin, Rod's partner from Bradshaw mountains, is also in town.

Jim Fine came in this morning and presented himself in Court to answer to a charge of shooting into a crowd, at the Peck mine.

James, the horse-thief, arrested at Camp Apache by Price Behan, has not yet been delivered to the authorities. The Dist. Court has remained in session several days expecting him, but adjourned to-day, in order to allow Judge Tweed time to hold the November term at Corbett.

THE BALL AT LEE'S.—A large crowd went from town last night to attend the ball at Lee's American ranch. We had set our heart on going but, as the cruel fates would have it, had to stay at home and work on an election job until after eleven o'clock, and then it was too late. Those who went are enthusiastic in praise of the entertainment. We shall go quite soon as the election is over and examine the new house which we have not as yet seen. It is one of the finest stations in the Territory and we understand the building is finished up in superb style.

SEVEN CARROTS FINE.—Dr. D. L. Magruder, Medical Director of the Department of Arizona, has sent us a natural curiosity in its line, being seven full-sized carrots in one. The main root is formed much like a round turnip and the seven shoots start out from the lower portion, some of them reaching a length of ten inches. It is of the variety known as "Bliss' Freak carrot", weighs 24 pounds, and was grown in the Doctor's garden on Headquarters Hill at Prescott.

Dr. Tibbels and family arrived here on Wednesday, in their own conveyance, 90 days from Walla Walla, W. T. They continued on to Phoenix, where the Doctor has a brother in the practice of medicine. After paying him a visit, they think of returning to Prescott to settle permanently. Dr. Tibbels has the reputation at Walla Walla, Boise City and elsewhere, where we have known him, of being an excellent physician.

An interesting letter from our regular Maricopa correspondent, on the Globe and Final mines, has to lay over for the Daily, which will appear early next week. He also informs us that Hon. John Smith has withdrawn from the contest for Council, and the race is now between Woolsey (Dem.), and Gay (Ind.), Morris (Dem.), for Assembly, also withdrawn, and Tom Hays is announced as an independent candidate for the position.

Wineyaki is Concerning in Phoenix.

ALL HENRY STEVENS, Oury, and Hardy are all in Prescott, which would seem to indicate that this is considered the Congressional battle-ground. Some of Stevens' friends, who seem to be on the inside, will tell you for a certainty that Hardy is the man who has got to beat Stevens, equally confident are sure that Oury is the only man that stands in his way, and he is the man that Stevens has to beat. Hardy's friends are also divided in opinion; some contending that he has to beat Stevens, and others, that Oury is the only man that stands a ghost of a show against him. Some of Oury's friends are equally certain that the race is between Oury and Stevens, as others are that Stevens is not in the way at all, and so goes, each has his adherents, and each of them has his own theory as to how the race is going.

ANOTHER PAPER IN PRESCOTT.—The Walla Enterprise, for want of mail facilities, has found it impracticable to publish at Mineral Park, and has concluded to come to Prescott. The material has already arrived and is being set up in the building on Cortez street formerly occupied by Armstrong, as a print-shop. We, of course, doubt the necessity for two papers in Prescott just at present, but the population is so rapidly increasing that they will have to come sooner or later, and perhaps it is just as well to start in now. "Much" is a good printer and clever gentleman, and since we must have opposition, let us have it. Let us have a good man, who will make a good paper, then to wait until some one else has a paper. While we expect to retain our share of the work, we hope the presence of another paper may encourage the people to have more done, in order that we may both, at least, make a living, and, as business improves, perhaps in the not far off future, lay up something for rainy days.

In the haste to get the Great Register printed in time to send it to all the precincts, several mistakes have unavoidably occurred in the voting numbers and a few in the ages of parties, but none, we are advised, that are vital. The name of George Probst was mistaken and put on the Register "Brobst," consequently he will find his name in the "B's."

A CARD.

EDITOR MINER:—I wish you would be kind enough to allow me to say a word with reference to the coming election through the Miner, and that is: first, I am very anxious to see John Howard elected to the Council from Yavapai County.

Two years ago when an attempt was made to disfranchise a large number of the citizens of this county by a cry of fraud, when not one iota of evidence was ever produced to show that a fraud had been committed, John Howard stepped forward and gave his services as an Attorney to prevent a disgraceful outrage and for this reason alone I would be glad to see him elected.

In the next place so far as interests of the county are concerned he will not sell out his constituents; and the people of this county want to look every candidate square in the face and know to a moral certainty that under no circumstances is such a candidate for sale.

If the ticket gotten up at the mass-meeting in the town of Prescott be closely scanned, the name of one of the chief manipulators carrying off the Capitol to Tucson will be found thereon, and I don't see the particular reason for sending him there to help fetch it back.

I therefore hope that my friends will vote for John Howard for the council in solid columns.

I am very glad that Chief Justice French made the decision he did, for he will have the satisfaction of seeing that the vote of the Territory will sustain his decision and sustain the apportionment, and furthermore the people of the Territory will sustain him.

All this time and any about fraud in the Census is hush. I know a good deal about Yavapai County, and I know those if you could only bring up the people to the Great Register and then bring them to the polls that Yavapai County can cast "nigh on" to three thousand legal votes, and I don't believe that any paid Attorney will prevent the votes from being counted, even if we, as the French say, we shall see.

For Congress.

To the People of Arizona Territory: Being detained here on public business much longer than I expected to have been, I hereby announce myself as a candidate for re-election as Delegate to Congress, by the people of Arizona. In so doing, I can but repeat my former position, and with renewed energy, the advantage of what little experience I have acquired, I pledge myself (if elected) to devote my time and give my most careful attention to the advancement of the best interests of Arizona and her people, irrespective of party faction or religion. To my friends who have generously and nobly stood by me during the past two years, I tender my heartfelt thanks. To those who will continue to oppose me and to all opponents, I wish to say: I shall meet you in opposition on the same field in a friendly manner, and believing as I do that the majority of the people are always right, I shall feel pleased with the result. Most respectfully, resign one and all to my support, I am very respectfully yours.

E. S. PENWELL.

For County Treasurer.

I most respectfully offer myself as a candidate for County Treasurer of Yavapai County. Being a resident of the county for over ten years the old settlers are nearly all acquainted with me, and the new settlers can feel out who I am by asking almost any old resident. My name was before you last election for Supervisor and I was elected by a flattering vote, but a change in my business compelled me to resign as soon after taking the office, which I think will be overlooked by my friends, who I hope will come forward with new recruits and I will endeavor to do my part in election.

To be sure this position is not a very pleasant one, but I have discharged the duties of the office for a number of years, and I am sure that I have done so to the satisfaction of the people. Referring to the past as my best pledge for the future, and relying on the ability and integrity of my fellow-citizens, I am, very respectfully,
